

KCCRT CONNECTION

Kentucky Community Crisis Response Board

April 2018

2018 Annual Conference

Earlier this month more than 50 KCCRT members from across Kentucky came together at the KCCRT Annual Conference, held at the Capital Plaza Hotel in Frankfort. Team members had the opportunity to participate in difference training offerings, socialize and network with other team members, and tour the capital.

The theme of this year's conference was "Putting the Pieces Together." Each session and activity was designed to fit together to illustrate how each region, team member and discipline connect within KCCRB. The Friday afternoon trainings consisted of presentations from first responders and the K9 team. Saturday's session provided a couple of different training options in the morning. The afternoon session allowed team members to coordinate a response and practice defusings and debriefings with different team members.

While this year's conference is over, work is beginning on the 2019 Annual Conference. If you would like to help plan next year's conference please contact Lee Twombly, Training Committee Chairman, or Angela Roberts.

See page 2 for additional photos from the conference.
